Report for Stocktons News

Stockton's Summer League ended on 26th September. Nouri Beladaci was consistent through the summer and only lost 5 games - giving him 107 points and an impressive 87% win rate. The runner up was Steve Neale with 95 points, followed by Greg Coyne with 85 points.

With just 9 weeks of the annual Singles League left, Nouri and Steve are battling for the title, with 25 and 22 wins respectively.

The 26/27 Winter League started on 3rd October and after just two weeks three players are unbeaten with 9 points each – Nouri, Francoise Kent and Nigel Polding.

There was a turn-out of 25 for the October melee, including seven friends from Whitnash. After three rounds there were four unbeaten players with Glen Woodward from Whitnash taking the honours with a +25 points advantage, followed by Nigel Polding on +15 and Richard Collyer tying with Timothy Simms on +11.

The Club has also been very active developing our playing area with proper fencing and a landscaping tidy up, which has rendered us the best facility in the Region. This has attracted eight top players from Whitnash to join as associates including Jayden Davis and George Partridge who are the Pétanque England Junior Champions and represented England in the recent European Junior Championship in Athens.,

The next Open Melee will be on 7th November with a 12.30pm registration. We play every Saturday afternoon from 2.00pm. Everyone is welcome - we will provide the boules and tuition on the rules.
